Congratulations on Becoming NAMB Certified!

Certification— The Right Choice!

When you choose to become NAMB certified, you made the decision. It was your choice to display your commitment and dedication to your profession.

Education and excellence will be seen by consumers who will recognize your knowledge and achievement.

You have set yourself above the competition. Realtors, home buyers, employers, and other professionals will see that the only choice to make is someone who has chosen the path to be certified.

There are proven results in referrals that a national certification, such as NAMB Certified gives. You make the difference in our industry and have earned the right the certification brings to display with pride, "I am NAMB Certified!"

Congratulations on your choice, and your efforts bring the recognition you deserve.

Best Wishes,
