PLEASE NOTE: Booth Personnel registrations do not include admission to the Opening Reception, General Session, Breakout Sessions, Education Courses or the Gala Dinner. Tickets to the Opening Reception may be purchased separately. For full access to the conference sessions and events, Full Exhibitor Registration may be purchased at a discounted rate.

If your company requires more Booth Personnel registrations, you may purchase additional registrations. (See table below for pricing.) Registration forms will also be included in the Exhibitor Service Manual, which you will receive approximately 90 days before the convention from Freeman. You may also register on-line at www.namb.org/annualconvention beginning on February 11, 2008.

If your company representatives plan to attend ALL conference events, they must purchase a Full Conference exhibitor registration. Full Conference exhibitor registration includes admission to the exhibit hall, all breakout and general sessions and one ticket to the Opening Reception and Gala Dinner/Casino Night. Education courses are not included in exhibitor registration fees.

Registered individuals can only pick up their badges on-site at the registration desk, located in the convention center. PLEASE NOTE THE REGISTRATION HOURS! If you are unable to pick up your badge you will not be able to enter the exhibit hall.

All Exhibitor badges are non-transferable and must be worn at all times, including set-up and tear-down. For security reasons, non-exhibit personnel will only be permitted to enter the exhibit hall during show hours. Registered exhibitors will be allowed in the exhibit hall up to one hour before the listed show hours and may remain in the hall up to one hour after closing time. As a courtesy to convention attendees and fellow exhibitors, all exhibiting companies are expected to open their booths promptly and staff them for the duration of the show.

Any exhibitor shutting down and packing up their booth before the conclusion of the exhibition will automatically be placed last in the selection/assignment of their 2008 booth.

After June 16, 2008, registrations and changes to exhibit staff must be made on-site; representatives registering on-site will be required to complete an on-site registration form.
