

# The National Association of Mortgage Brokers to Launch New Health Plan for its Members

Washington, D.C. – August 7, 2019—Today, [the National Association of Mortgage Brokers](#) (NAMB) is pleased to announce it has partnered with [Pendella](#), a leading provider of health care solutions, to begin offering a newly developed health plan to its membership base on September 1, 2019. The NAMB health plan will provide level funded options down to groups of two employees and will help control the cost of care through many attractive features typically only available to large employers.

NAMB members may find out more about the health plan and obtain quotes by clicking [here](#). NAMB members, their employees and families deserve a well-structured benefit plan that provides reliable coverage and access to affordable care. The new NAMB health plan offers support in the following areas:

- Medical Insurance
- Vision and Dental Plans
- Income Protection
- Life Insurance
- Business Overhead Insurance
- Accident and Illness Plans
- Personal Care Accounts
- and more!

“Since learning of the Association Health Plan initiative released by the White House in 2018, NAMB has been working hard to bring this valuable benefit to its members” said Rick Bettencourt, NAMB President. “This plan allows small businesses, individuals, and sole proprietors the opportunity to come together and share the benefits that only large groups receive today.”

In 2019, NAMB joined the [Coalition to Protect and Promote Association Health Plans](#), a group that is currently comprised of 25 like-minded organizations that believe employees of small employers and independent contractors deserve quality and affordable health coverage with strong consumer protections. In addition, NAMB representatives were hosted by officials at the White House who worked with the US Department of Labor in further support of the initiative.

“Pendella is a team of seasoned professionals with decades of experience in employee benefits, human resources, benefit administration, and business insurance,” said Michael Haffey, Managing Partner at Pendella. “We created our company to combine our talents with modern technology, allowing us to provide creative, compassionate, and reliable service and we are thrilled to be working with NAMB on this initiative.”

NAMB members and non-members are encouraged to obtain quotes for the health plan.

## ABOUT NAMB:

The National Association of Mortgage Brokers is the voice of the mortgage industry representing the interests of mortgage professionals and homebuyers since 1973. NAMB members include small business owners, loan originators, account executives, and other industry professionals. NAMB provides mortgage professionals with education opportunities and offers rigorous certification programs to recognize members with the highest levels of professional knowledge and education.

As the leading national trade association for this industry, NAMB is affiliated with State Associations throughout the country and represents the interests of more than 910,000\* licensed and registered Mortgage Loan Originators and 39,000\* licensed mortgage broker and mortgage lender businesses. NAMB's active lobbying and advocacy efforts frequently focus on national and state issues. The Association hosts several meetings throughout the year. <https://www.namb.org>
