

The National Association of Mortgage Brokers First Health Plan for Members is now Immediately Available

NAMB+ to provide level funded options to groups of two employees or more

Washington, DC – September 4, 2019 - Today, the National Association of Mortgage Brokers (NAMB) is pleased to announce the organization's new health plan is available for its members to begin enrolling and utilizing.

NAMB members are encouraged to obtain quotes and enroll for the health plan titled NAMB+ Health Plan. NAMB members may find out more about the virtual health plan exchange and obtain quotes by clicking here. NAMB+ is a subsidiary of NAMB and was created to develop enhanced NAMB member benefits.

In early 2019, NAMB partnered with Pendella, a leading provider of health care solutions, to create this a newly developed health plan. The new health plan will provide level funded options down to groups of two employees and will help control the cost of care through many attractive features typically only available to large employers. To date, several groups have signed up for this innovative offering as early adopters.

All NAMB members, their employees and families deserve a well-structured benefit plan that provides reliable coverage and access to affordable care. The new NAMB health plan offers support in the following areas:

- Medical Insurance
- Vision and Dental Plans
- Income Protection
- Life Insurance
- Business Overhead Insurance
- Accident and Illness Plans
- Personal Care Accounts
- And More

"This new health plan was developed to offer NAMB members, their employees and families a fantastic option to make certain they have the medical coverage they need to ensure good health and to meet individual medical needs," said Michael Desantis, NAMB+ President. "We are thrilled so many of our members are early adopters of this great benefit and are excited to watch the enrollment numbers grow through the end of 2019 and well into 2020."

This year, NAMB joined the Coalition to Protect and Promote Association Health Plans, a group that is currently comprised of 25 like-minded organizations that believe employees of small employers and independent contractors deserve quality and affordable health coverage with strong consumer protections. In addition, NAMB representatives were hosted by officials at the White House who worked with the US Department of Labor in further support of the initiative.

To join The National Association of Mortgage Brokers simply click here to begin the process. "We believe this offering will be a valuable asset for NAMB as we welcome new members into the fold to take

advantage of NAMB+ and the many additional benefits of becoming a member of the National Association of Mortgage Brokers,” added Desantis.

About NAMB: *The National Association of Mortgage Brokers is the voice of the mortgage industry representing the interests of mortgage professionals and homebuyers since 1973. NAMB members include small business owners, loan originators, account executives, and other industry professionals. NAMB provides mortgage professionals with education opportunities and offers rigorous certification programs to recognize members with the highest levels of professional knowledge and education.*

As the leading national trade association for this industry, NAMB is affiliated with State Associations throughout the country and represents the interests of more than 910,000 licensed and registered Mortgage Loan Originators and 39,000* licensed mortgage broker and mortgage lender businesses. NAMB’s active lobbying and advocacy efforts frequently focus on national and state issues. The Association hosts several meetings throughout the year.* <https://www.namb.org>
