

## The National Association of Mortgage Brokers Announces NAMB Marketplace with Partner Lender Price

*Offering enables mortgage brokers to have access to a full digital lending experience*

Washington, DC – January 11, 2019 – [The National Association of Mortgage Brokers](#) (NAMB) is pleased to announce [NAMB Marketplace](#) with partner [Lender Price](#), the leader in digital mortgage interface technology and product pricing & eligibility (PPE) solutions. Part of the [NAMB TOOLBOX](#) announced at [NAMB National](#) NAMB Marketplace offers brokers the ability to search thousands of loan programs and interact with prospects digitally through a single interface.

NAMB Marketplace offers [NAMB members](#) real-time pricing and eligibility, built upon a modern technology stack. The Lender Price PPE displays pricing and eligibility from a large variety of lenders nationwide, providing broad visibility to the marketplace. A single click enables brokers to invite their prospect to begin an application, utilizing the industry leading, [Digital Lending platform](#). Offering the Lender Price PPE and Digital Lending in a single platform gives brokers the digital tools they need to fund their loans more cost effectively, while introducing the marketplace into the digital lending space.

“NAMB is thrilled to make this announcement with Lending Price, a true visionary in digital lending,” said Richard Bettencourt, NAMB Board President. “Current NAMB members along with future members will enjoy this new tool as it is the very best solution offered to brokers to connect with their customers and prospects while aligning their operations in an easy to use, web-based solution.”

NAMB Marketplace provides mortgage brokers a modern technological solution to price a loan, engage prospects in a streamlined digital experience and ensure accurate digital delivery to the wholesale lender. With over 150 lenders and over 45 vendor integrations and growing, Lender Price is excited to bring this technology to NAMB and the mortgage broker community. To find out more or to join the Marketplace, please click [here](#).

"We are excited to be partnering with NAMB to provide The NAMB Marketplace. By seamlessly combining our industry leading pricing engine with our state-of-the-art Digital Lending platform, we have created an open solution for brokers to find the best rate and loan program for their borrowers, while providing the best digital experience on the market." stated [Dawar Alimi](#), President and Co-Founder of Lender Price.

### About NAMB

The National Association of Mortgage Brokers is the voice of the mortgage industry representing the interests of mortgage professionals and homebuyers since 1973. NAMB members include small business owners, loan originators, account executives, and other industry professionals. NAMB provides mortgage professionals with education opportunities and offers rigorous certification programs to recognize members with the highest levels of professional knowledge and education. As the leading national trade association for this industry, NAMB is affiliated with State Associations throughout the country and represents the interests of more than 910,000\* licensed and registered Mortgage Loan Originators and 39,000\* licensed mortgage broker and mortgage lender businesses. NAMB's active lobbying and advocacy efforts frequently focus on national and state issues. The Association hosts several meetings throughout the year. <https://www.namb.org/>
